

BUG-001 — Student cannot pay a fee

The Pay button stays disabled and the payment cannot be submitted.

Module	Finance — Online Payment (Stripe)
Affected tests	US010, US011
Environment	test.mersys.io · Chrome 153 · Windows 11
Account	student10 (STUDENT role)
Reported	2026-09-28
Status	Open

Steps to reproduce

1. Log in as `student10`.
2. Hamburger menu → Finance → My Finance.
3. Click the student row to open the fee detail.
4. Select provider **Stripe**.
5. Select **Pay Amount Due 100.00 \$**.

Expected result

The student can enter card details and submit the payment.

Actual result

The card form loads, but the Pay button is **disabled** and a red “Forbidden — error.http.403” message appears. The payment cannot be submitted.
